### FIT-is-FUN Skill Development Program 3 1/2—5 Year Olds

The Scamps FIT-is-FUN Skill Development Program is designed to enhance the skill development of 3 1/2—5 year olds in our preschool gymnastics program. The program consists of 4 progressive levels. New students begin in Level 1 classes. After successfully completing the Level 1 skills, the student will begin working on skills in Level 2. Students receive a skill poster they take home and use to chart their progress. When a skill is successfully completed, the instructor will give the student a sticker they can take home to place on their chart.
